ACHIEVEMENTS

- Achieved First Place in Zonal English Day Competition - 2019
- Achieved First Place in Divisional English Day Competition - 2016
- Achieved Second Place in Divisional English Day Competition - 2019
- Achieved Third Place in Zonal English Day Competition - 2016

TECHNICAL SKILLS

- HTML (Intermediate)
- CSS (Intermediate)
- Java (Intermediate)
- Python (Intermediate)
- JavaScript (Basic)
- Git (Basic)
- GitHub (Basic)

PROFILE

A dedicated undergraduate pursuing software engineering with a solid background in problem-solving and web development, eager to utilize technical knowledge, gain new skills, and contribute to creative solutions while developing professionally in a dynamic environment.

EXPERIENCE

Life Below Water (Seaserenade Group Project)

- Developed the shop page and splash screen for the 'Sea Serenade' website using HTML, CSS, and JavaScript. Implemented dynamic cart functionality with local storage for a seamless shopping experience. Collaborated with the team to ensure the site aligned with the marine conservation theme.

University Student Management System

- Designed and implemented a Student Management System using Java, incorporating CRUD operations and file handling to manage academic records effectively. Demonstrated strong programming skills and an understanding of data management techniques.

Personal Finance Tracker

- Created a Personal Finance Tracker using Python and Tkinter, allowing users to manage expenses through a user-friendly interface. Demonstrated skills in GUI development and basic financial management.

CERTIFICATIONS

Problem Solving [Basic] - HackerRank

05 October, 2024

Skills gained: Problem Solving, Algorithms, Data Structures
E-certificate: [Link](#)

Java [Basic] - HackerRank

19 July, 2024

Skills gained: OOP Concepts, exception handling
E-certificate: [Link](#)

Python [Basic] - HackerRank

13 May, 2024

Skills gained: Scalar data types, String manipulations, collections
E-certificate: [Link](#)

SOFT SKILLS

- Team working
- Problem Solving
- Leadership
- Communication
- Time management
- Adaptability
- Presentation Skills

LANGUAGES

- English
- Sinhala

EDUCATION

BEng (Hons) Software Engineering

2024 - Present

Informatics Institute of Technology
Affiliated with University of Westminster - UK

Key Modules:

- Object Oriented Programming
- Database Systems
- Software Engineering Principle and Practices
- Computer Systems Fundamentals
- Web Design and Development
- Mathematics for Computing
- Software Development II [Java]
- Software Development I [Python]

Advanced Level Examination

2022/23

Sujatha Vidyalaya, Matara

Z-Score: 1.7087

Stream : Commerce

District Rank: 111

Index no: 3031845

Accounting : A

Business Studies : A

ICT : A

Ordinary Level Examination

2019

Royal College, Thelijjawila

Index no: 92125450

Achieved 6 A (including Mathematics and English), 2 B, and 1 C

OTHER COURSES

Advanced Certificate in English Language - 2023

National Institute of Business Management (NIBM)

I hereby certify that the facts mentioned above are true and accurate to the best of my knowledge.
